THE question is, will David Davis go over to the Democratic party or the Democratic party to David. The transfer of party would be easier, and require less transportation.

In spite of his natural conversation and his inclination to fairness, Senator Bayard has made some long strides in the past few days towards pure and unadulterated Bourbonism. He is evidently bidding for the Presidency, and has come to the conclusion that to be successful he must be a bitter, extreme partisan.

PAT DONAN, who thundered against "radicalism" a few years ago after the style of the Oklahoma States and who claims the credit of writing Proctor Knott's celebrated Duluth speech, has been heard from. He attended the Arkansas Press Association, the other day at Little Rock. He is said to have toned down and is now very Conservative.

Two End Men of the Episcopal Church.

Indianapolis News.

In a conversation held at one of the State offices this morning, Senator Voorhees' religious belief became the subject of inquiry. "He's an Episcopalian," said a gentleman who appeared to speak by authority, "and was confirmed at Terre Haute about two years ago. There were nearly twenty in the class for confirmation; Mr. Voorhees stood at one end of the line and Bayless W. Hanna at the other. The Terre Haute newsmen and bootblacks, who are as 'peart and chipper and sassy' as the fraternity are elsewhere, dubbed the distinguished gentlemen, 'the two end men of the Episcopal Church,' and by that title do they go to the present day."

XLVI CONGRESS.

HOUSE.

WASHINGTON, D. C., June 7. The House is in Committee of the Whole on the bill making additional appropriations for the service of the Postoffice Department.

The bill was read by sections, and Mr. Keifer offered a substitute for the bill, being an amendment appropriating, in addition to the amount heretofore appropriated, \$353,000 for the payment of letter carriers for the fiscal year ending June 30th, 1879. Mr. Cox moved to increase the appropriation from \$353,000 to \$415,000. A discussion ensued, after which Mr. Cox's motion was agreed to. After further discussion the Committee arose, and the bill was reported to the House. Mr. Keifer's substitute, as amended by Mr. Cox's amendment, was adopted. The bill then passed and the House adjourned.

WASHINGTON.

WASHINGTON, June 7.—The Senate Committee on Privileges and Elections resumed the examination of witnesses in the Safford-Kellogg case to-day. The first witness examined was Wm. Johnson Delacy (mulatto) who was a member from Rapides parish of the Legislature that elected Kellogg. An affidavit was shown to witnesses purporting to have been signed by witness before Judge Preissner, in which he states that Smith (who was afterwards Collector of New Orleans) threw an envelope on his desk sealed, and that he opened it and found that it contained money, and that members had been offered from \$200 to \$250 for their vote, and that several who had been so promised had got nothing, and that he himself got \$200 for voting for Kellogg. Witness denied the signature and body of the affidavit in his hand-writing. Witness had previously denied that he had received any money for voting for Kellogg. The affidavit will be used to contradict him.

Joseph J. Johnson, one of the witnesses in the support of the Kellogg case, to-day was arrested charged with committing perjury by swearing falsely before said committee, among other things that he did not dictate a single line or word in the affidavit offered in the evidence before that committee.

Messrs. Kellogg, Spofford and Delacy testified to making the affidavit in New Orleans at the suggestion of Ward then acting for Spofford, in which he alleged attempts a bribery for voting for Kellogg. Witness did vote for Kellogg, but never received money afterwards, witness received five hundred dollars for himself and drew his colleagues. The money came from Robertson the Democratic Senator, through Dimas as agent. Spofford had a sufficient number of votes to elect him before Delacy and his fifteen or twenty comrades were brought up, but the argument used was that Spofford wanted every Republican member's vote, in order to avoid any cavil in Washington as to his title. The witness had never before seen the affidavit before the Committee. It was signed "DeLacy"; he spells his name "DeLacy," and claims to be a grandson of Sir Hugh DeLacy, of Ireland, Chas. Cavanaugh identified the affidavit in the evidence as the one signed by DeLacy and sworn to before a Magistrate.

Thos. Munoy was recalled and, swore that DeLacy told him 15 minutes before going on the stand that he would swear to the affidavit. The Committee then adjourned.

MINOR DISPATCHES.

Why a Letter Don't Go.

The Cincinnati Saturday Night publishes the following reasons why a letter don't go:

Because you forgot to address it.
Because you forgot to stamp it.
Because you forgot to write the town or State on the envelope.
Because you don't write the street and number plainly.
Because you didn't put three cents on the letter for every half ounce or fractional part thereof.
Because you cut an envelope stamp and pasted it on your letter.
Because you used internal revenue stamps instead of postage stamps.
Because you used old out of date stamps.
Because you used a foreign stamp.
Because you wrote the address so badly that no one could read it.
Because you wrote the address on the top of the envelope and it was surely obliterated by the postoffice dating, receiving and cancelling stamps.
And because you put your letter in a blank envelope, and sealed it and forwarded it to the dead letter office, where thousands upon thousands of valuable letters are daily destroyed, because the people are either careless or ignorant of postal laws.

The Colored Folks Decline.

At a meeting of the citizens at the Court House last night, W. F. Yardley was elected Chairman and Fred L. McGhee, Secretary. After the object of the meeting was stated, remarks were made by several persons, and the gentlemen present declined to take action concerning the celebration of the Fourth of July, as steps had already been taken for that purpose at a meeting of citizens the night before.

FRED L. MCGHEE, Sec'y.

An Important Discovery.

A fine quality of yellow copper ore has been discovered on the farm of Mr. Hugh Cox, in the Elgin neighborhood, in this county. The ore was found while digging a cistern, but was not closely examined at the time. Mr. Cox exhibited a specimen of this ore while in town last Monday, and it was pronounced by some persons as nearly equal to the famous Ducktown ore.

Blount county is rich in mineral resources, which we hope will be fully developed at an early day. —Democrat.

MUNICIPAL AFFAIRS.

Proceedings of the City Council Last Night.

The Board met at the usual hour last night, Mayor Luttrell presiding, and the following Aldermen present: Albers, Lyons, McAffry, Sullivan, Allison, Barrier, Hockenjos, Shea, Dickson, Harris, Lewis, Stephenson, Seales, O'Connor and Irvin.

The minutes of the previous meeting were read and approved.

The following bills were reported by Alderman Allison, Chairman of the Finance Committee, properly approved and passed for payment:

Knoxville Gas Light Co., May...\$303.46
Burr & Terry... 25.26
Shea & Dickson... 1.75
T. A. Barrier... 4.20
H. Barry... 8.00
Cullen & Newman... 13.55
C. F. Youngblood, lamp-lighter... 5.75
Ramage & Co... 2.15
Geo. W. Albers... 20.90
R. M. Elza... 5.20
Weaver & Bro... 30.00
Bradford & Cox... 20.10

Alderman Seales, chairman of the special committee recently appointed on the subject of water works, made a report of their investigations and observations, which was read. The report gives the progress made, also giving some valuable statistics and facts about the management of water works, etc. No recommendations are made, however.

Resolved since moved to receive the report and discharge the committee, which, after considerable discussion, was carried by a vote of 9 to 6.

Alderman Allison expressed himself decidedly in favor of water works, and that the city should own them, itself, and issue bonds bearing 6 percent. interest to build the same, provided that the matter be submitted to a vote of the citizens before the bonds are issued. He in the same connection offered a resolution embodying the above named points. After some discussion the ayes and noes were called for on the passage of the resolution, as follows:

Aye—Allison, Barrier, Dickson, Harris, Hockenjos, Irvin, Lewis, McAffry, Stephenson, Sullivan, Shea, —11.
No—Albers, Lyons, O'Connor, Seales.—4

The voting "no" explained that they were in favor of water works, but not in this shape, that they were confident a better proposition could be obtained than has heretofore been made.

On motion of Alderman Shea, the City Auditor is instructed to compile a book of the laws of the city, and the Recorder is instructed to provide himself with a scrap book and hereafter record all ordinances as they are passed and printed, pasted therein.

Alderman Barrier offered an ordinance to clear sidewalks, alleys, streets, etc., of obstructions, which was passed on both readings and became a law.

On motion of Alderman Dickson, the matter of some needed repairs to the Bell House was referred to the Building Committee.

Capt. C. A. King, Chief of the Fire Department, made some remarks, asking the Board to provide uniforms for the Fire Department. He said he thought the amount required would not exceed \$250 or \$300.

Alderman Albers moved to instruct the Fire and Police Committee to go to the limit of \$250 in having these uniforms provided, and to do it at once.

After some discussion the motion was carried, there being only one vote, Alderman McAffry, against it.

The question of the Alhambra tree as a nuisance in the city, was mentioned by Alderman Stephenson, and referred to the Sanitary Committee.

Fines assessed against W. Spiro, F. Hockenjos, W. Leibman and Peter Ritter for selling cigars on Sunday, were, on motion remitted.

On motion the old Committee of the Board on Water Works was reappointed to act further. Adjourned.

Readings and Recitations.

An entertainment, consisting of Readings and Recitations, was given at the Reading Room last night by Mrs. L. C. French's class in elocution. It was enjoyed by a large and appreciative audience. The following was the programme:

"The Quaker and the Robber," Miss Eva Morgan.
"The Leak in the Dike" (Phoebe Cary), Miss Rhoda King.
"The Walrus and the Carpenter," Miss Clara Terry.
"Auntie Doleful" (Mary Dallas), Miss Hampton.
"The Diver" (Schiller), Mrs. Thomas Deaderick.
"A Boy in a Balloon" (Mosely), Miss Bettie Joynes.
"Miss Edith Comforts Jack" (Bret Harte), Miss Nina Cowan.
"Edinburgh After Floods" (Ayotum), Miss Anna Stewart.
"The Chamberlain Becomes Neighborly" (Bret Harte), Miss Jessie Dunbar.
"The High High Swing," Miss Nettie Walker.
"The Painter of Seville," Miss Kate E. Crozier.
"One Legged Goose," Miss Mary Cowan.
"Miss Edith Helps Things Along" (Bret Harte), Miss Annie Anderson.
"Angels of Buena Vista," (Whitcomb), Mrs. Chalmers Deaderick.
"The Green Mountain Justice," Miss Birdie Walker.
"The Lost Watch," Miss Mary Henderson.
"The Mother and Poet," (Mrs. Browning), Miss Sallie Parr.
"A Very Naughty Little Girl's Views of Life," Miss Emma Sanford.

In addition to this, there was a recitation by Pattie McClung, a Miss of six summers, which was greeted with applause. Where all did their parts so well it would be improper to make special mention of any. Mrs. French is not only a fine elocutionist herself, but is also a successful teacher, as the performances of her class last night bear abundant evidence. She deserves encouragement.

The Tidy Housewife.

The careful, tidy housewife, when she is giving her house its spring cleaning, should bear in mind that the dear inmates of her house are more precious, than houses, and that their systems need cleansing by purifying the blood, regulating the stomach and bowels to prevent and cure the diseases arising from spring malaria and miasma, and she should know that there is nothing that will do it so perfectly and surely as Hop Bitters, the purest and best of all medicines.
